

Chairman's Foreword

It is my honor to present the profile of Bemachil Global Resources Limited, a company founded on integrity, resilience, and a clear vision: to responsibly source and supply Africa's mineral wealth to the global marketplace.

From the goldfields of West Africa to the copper belts of Zambia and the Democratic Republic of Congo, we specialize in delivering Gold Dore Bars and Base Metals to international partners who demand quality, transparency, and sustainability. Our operations are guided by strict compliance with international

standards, ensuring that every transaction reflects accountability, ethical practice, and long-term value creation.

Yet our mission extends beyond commerce. We see ourselves as partners in progress — building bridges between local producers and global markets, between resource wealth and community empowerment, and between today's opportunities and tomorrow's prosperity. Africa's resources are not only the foundation of industrial growth but also a catalyst for sustainable development across the continent.

This profile reflects our journey, our values, and our aspirations. It is both a corporate statement of governance and a call to collaboration. We invite you to explore our story, engage with our vision, and join us in shaping a future where Africa's resources fuel shared growth and enduring prosperity worldwide.

**Bernard Kabiti
Chairman**

- Incorporated in Zambia on 11 October 2021 (Registration No. 120210021907).
- A Zambian-owned multi-minerals aggregator, sourcing, trading, and supplying a wide range of minerals through strategic partnerships with African miners and global suppliers.
- Operates across upstream and downstream supply chains, including pre-financing, raw material sourcing, processing, sustainable distribution, and delivery.
- Strong sourcing base in Africa's mineral-rich territories, ensuring reliable and sustainable supply solutions for global clients.

Strategic Positioning:

- ❖ Trusted partner in the procurement, sales, and distribution of ferrous metals, critical minerals, and

precious stones.

- ❖ Proximity to mineral-rich regions such as DR Congo, Zambia, Zimbabwe, Angola, and Botswana enables competitive advantage in serving both domestic and international markets.
- ❖ Commitment to operational excellence and customer satisfaction through integrated services and strategic alliances.
- ❖ Global presence with professional teams in Africa, Asia, the Middle East, and Europe, ensuring agility and responsiveness to evolving client needs.

of non-

Core Strengths:

- Compliance-driven governance ensuring legitimacy and sustainability.
- Integrated supply chains delivering end-to-end solutions.
- Global partnerships fostering trust and long-term collaboration.
- Expert leadership driving growth and market adaptability.

BGRL - CORPORATE PROFILE

□ **Our Vision:** To source, produce, and supply premium-quality minerals at competitive and sustainable prices, ensuring value creation across global markets.

□ **Mission Statement:** To deliver exceptional, personalized products and flexible services worldwide under a strict code of honesty, integrity, and professionalism. We are committed to contributing to the transformation and betterment of lives, the environment, and infrastructure in the communities where we operate.

□ **Our Strength:** Bemachil Global Resources Limited (BGRL) thrives on a robust network and multidisciplinary expertise spanning mining, sourcing, trading, logistics, compliance, consultancy, and product development. Our presence across Africa, Europe, the Middle East, and Asia enables us to serve clients with integrity, trust, and efficiency. Through our expertise, clients

benefit from:

- Global market access to traders, suppliers, and service providers. Integrated value chain services offering one-stop solutions across minerals trade.
- Competitive pricing to maximize client revenue.
- Streamlined transactions with fast turnaround and ease of engagement with global counterparties.

□ **Our Motto:** “*Building Global Partnerships*.” BGRL is passionately committed to building global partnerships founded on trust, timeliness, and excellence — delivering meaningful, cost-effective, and high-quality products and services to esteemed clients worldwide.

□ **Compliance & Integrity:**

Bemachil Global Resources Limited (BGRL) operates with strict adherence to local and international laws, regulations, and industry standards. Transparency, accountability, and ethical conduct are embedded in every aspect of our operations, reinforcing stakeholder confidence and long-term trust.

We enforce a Zero Tolerance Policy against:

- Money laundering & terrorism financing
- Human rights abuses including exploitation, forced labour, and child labour
- Criminal activities such as smuggling, bribery, corruption, illicit trade, and evasion of government fees
- Environmental harm from unsustainable mining practices or hazardous chemicals

Our compliance framework is anchored in the OECD Due Diligence Guidance for sourcing from conflict-affected and high-risk areas, with measures including:

- Enhanced KYC procedures for counterparties
- Identification and assessment of transactional red flags
- Immediate disengagement from high-risk scenarios
- Annual independent external audits to verify compliance

BGRL - CORPORATE PROFILE

□ Core Products::

BGRL - CORPORATE PROFILE

CORPORATE SERVICES:

□ Procurement & Supply Services:

BGRL delivers comprehensive procurement solutions through strong connections with Africa's leading producers and international suppliers. We specialize in sourcing high-quality minerals and managing the entire supply chain from upstream to downstream. Our global operations span multiple industries, ensuring clients benefit from cutting-edge solutions, competitive pricing, and exceptional customer service.

□ Minerals Supply Chain Management:

Our supply chain practices are anchored in the OECD Guidance for Responsible Sourcing, with strict chain-of-custody procedures from mine extraction to trading returns. We enforce:

- Anti-money laundering safeguards
- Human rights protection against forced and child labour
- Anti-terrorism financing measures
- Environmentally friendly production technologies
- Risk mitigation against corruption, bribery, smuggling, and non-payment of government fees

□ After-Sales Services:

We provide customer-focused after-sales support, ensuring value creation at every stage of the supply chain. Our expert teams deliver responsive solutions that strengthen client relationships and operational success.

✂ Mining Services:

BGRL invests in sustainable mining development, leveraging Africa's abundant reserves to meet global demand. Our medium- to large-scale initiatives include:

- ★ Geological studies and mapping
- ★ Geo-physical prospecting and 3D underground analysis.
- ★ Drilling programs and extraction techniques
- ★ Data modelling and project assessments
- ★ Legal compliance in ownership and mining rights
- ★ Environmental protection initiatives

**WE TAKE PRIDE IN OUR
EFFICIENT,
PROFESSIONAL, AND
CUSTOMER-CENTRIC
SERVICES AND BELIEVE IN
ADDING VALUE TO OUR
CUSTOMERS AT ALL
STAGES OF THE SUPPLY
CHAIN PROCESS.**

BGRL - CORPORATE PROFILE

□ **Transportation & Logistics:**

We deliver globally via air, rail, road, and sea, supported by strategic partnerships with mines, plants, suppliers, assayers, and logistics companies. Our supply network spans Southern and Western Africa, connecting seamlessly to international shipping routes.

Enhanced service capabilities include:

- Professional handling and quality verification
- Timely delivery aligned with industry standards
- World-class warehousing and distribution alliances
- Our strategic location in Zambia provides direct access to Africa's mineral heartland and proximity to major transport hubs, reducing lead times and enhancing responsiveness to market demands.

□ **Clients & Global Presence:**

BGRL serves a diverse client base across Africa, Europe, the Middle East, and Asia, reinforcing our position as a trusted partner in global minerals trade.

□ **Corporate Social Responsibility (CSR):**

We dedicate an entire department to community development and sustainability, going beyond legal obligations to improve local living conditions. Our CSR initiatives include

- ❖ Infrastructure investment: potable water, electricity, schools, hospitals, roads
- ❖ Social capital programs: education, HIV prevention, gender workshops, family planning, hygiene awareness
- ❖ Human capital development: training, microbusiness support, aquaculture, agriculture, textiles, and skills development.

BGRL - CORPORATE PROFILE

DIRECTORS

Under the leadership of Dr. Bernard Kabiti, Group Executive Chairman, Bemachil Global Resources Limited is guided by a team of seasoned Directors with over a century of combined industry expertise. As both Directors and Shareholders, they extend strategic synergies through EagleWorks Prime Limited, reinforcing capabilities in construction, mining, and mineral trading. Our organizational structure is designed for efficiency and integration, aligning strategic vision with operational execution. Supported by a skilled management team and globally positioned professionals, the Directors ensure agility in meeting diverse client requirements. With a strong base in Zambia and presence across Africa, Asia, Europe, and the Middle East, the team drives sustainable growth while serving both domestic and international demand.

DR. BERNARD KABITI - GROUP EXECUTIVE CHAIRMAN

(Strategies, Policies, Mining & Minerals)

Dr. Bernard Kabiti brings over five decades of multidisciplinary expertise spanning mining, mineral trading, and information technology. With 20+ years of entrepreneurial leadership in mining and commodities trading, Dr. Kabiti has directed ventures across Zambia, Angola, DR Congo, Guinea Conakry, Mali, Cameroun and Sierra Leone. His strategic roles include co-founding and leading Excelling Technologies Limited, Kelard Gems Mining Limited, Valmega Mining Group Limited, Thunder Touch Mining Group Limited, Bemachil Global Resources Limited where he oversaw mining investments, trading operations, logistics, and consultancy. He has extensive experience in exploration, prospecting, and identifying mineral concessions

for investment, positioning him as a trusted authority in resource development and international trade.

Complementing his mining expertise, Dr. Kabiti possesses 30+ years of ICT leadership, managing complex projects across consultancy, finance, manufacturing, education, and mining sectors. His career includes senior executive positions such as Chairman, CEO, Managing Director, Director of Operations, Director Administration, and IT Consultant, underscoring his ability to integrate technology with business strategy. Dr. Kabiti's unique blend of strategic vision, operational leadership, and cross-sectoral expertise continues to drive organizational growth, strengthen compliance, and expand global market presence.

MRS MARY DITULO KABITI - DEPUTY CHAIRPERSON

(PRECIOUS STONES, SECURITY, ASSETS, CLIENT RELATIONS)

Mary Ditulo is a seasoned business entrepreneur with over 30 years of leadership in mining and mineral trading. As co-founder and long-serving Director of Kelard Gems Mining Limited and Bemachil Global Resources Limited, she has provided strategic management and governance since its inception, guiding operations in mining ventures, trading, investment, logistics, and consultancy. Her career spans extensive exploration and prospecting experience across Zambia's key mining regions, where she has identified mineral sites and concessions for investment and trade. She has also chaired the Board of Kelard Gems Mining Limited and Bemachil Global Resources Limited, reinforcing her role in corporate governance and strategic oversight. Mary's expertise in sourcing, marketing, and international trade of precious and semi-precious metals, gemstones, and ores has positioned her as a trusted leader in the sector. Beyond mining, she has engaged in trading diverse products and services, fostering collaboration with stakeholders to drive innovation, diversification, and global expansion. Her proven track record in entrepreneurship, board leadership, and cross-border trade strategy continues to strengthen organizational growth and stakeholder confidence.

MR. HUDSON KABITI - GROUP CEO

(MINING, MINERALS, AGRICULTURE & FUELS)

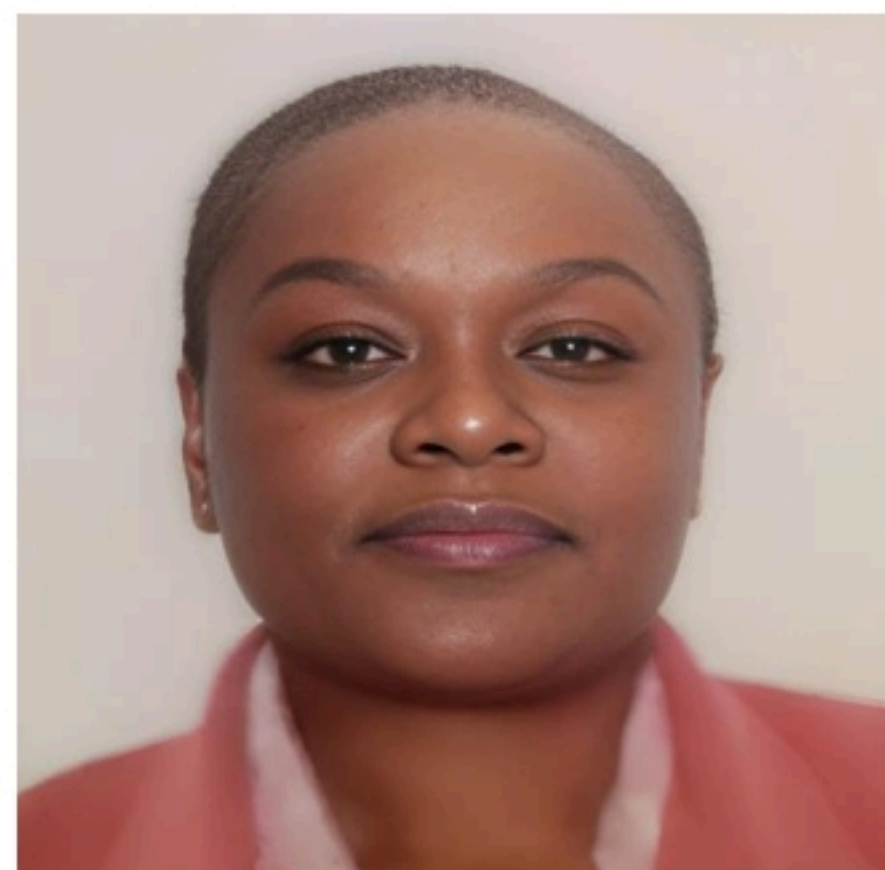

Hudson Kabiti is a dynamic executive with over 20 years of leadership in mining, mineral trading, and commodity supply chains. His career spans extensive experience in the marketing and sales of precious and semi-precious metals, gemstones, petroleum products, and agricultural commodities, positioning him as a versatile leader in resource-based industries. He has held senior leadership roles including Director of Marketing & Sales at Kelard Gems Mining Limited, Director of Operations at Valmega Mining Group Limited and Thundertouch Mining Group Limited, and Chairman/Director at Ketam Logistics Limited. In these positions, he provided strategic oversight in prospecting, mining, trading, logistics, and investment facilitation, while building strong partnerships with international investors from South Africa, Taiwan, and beyond. Hudson's early career included direct engagement with mining communities in Angola, where he managed diamond and gold ventures and secured overseas markets. His broad operational background across Zambia and the region has enabled him to cultivate robust stakeholder relationships with governments, regulators, investors, and clients,

driving accelerated growth and market penetration. As Group CEO, Hudson Kabiti's proven expertise in entrepreneurship, governance, and cross-border trade strategy enhances organizational synergy and reinforces the company's commitment to innovation, excellence, and global expansion.

Ms. CHILESHE J. KABITI - DIRECTOR / COMPANY SECRETARY

(LEGAL, ADMINISTRATION, CORPORATE SOCIAL RESPONSIBILITY)

Chileshe Jayne Kabiti is an accomplished administrator with extensive experience in corporate governance, legal compliance, and organizational management. For the past 20 years, she has served as Director and Company Secretary of Kelard Gems Mining Limited and Bemachil Global Resources Limited, overseeing the company's legal and administrative functions across mining ventures, consultancy, and international trade. In this role, she has ensured compliance, streamlined governance processes, and supported strategic decision-making at board level. Beyond her corporate responsibilities, Chileshe has successfully managed business initiatives, including establishing an SME engaged in nationwide commodity supply. Her international exposure includes two years in South Africa managing operations at Knysna Lodge, where she delivered high-level hospitality services to distinguished guests. Her proven expertise in legal administration, corporate governance, and strategic management continues to strengthen organizational efficiency, stakeholder confidence, and sustainable growth.

MR. KELVIN KABITI - DIRECTOR

(FINANCE, SALES, MARKETING, SECURITY, SAFETY & LOGISTICS)

Kelvin Kabiti is a certified IT professional with over two decades of expertise in Information Systems Management (ISM), holding a Diploma from APTEC Institute of Technology Worldwide, Princeton, USA (2002). He has played a pivotal role in designing and implementing innovative IS solutions that enhance operational efficiency, strengthen governance, and support strategic decision-making. At Kelard Gems Mining Limited (KGML) and Bemachil Global Resources Limited (BGRL), Kelvin advanced from IS Manager to Director of Information Systems, where he led projects integrating technology into mining operations, consultancy, and client services. His contributions include developing results-driven systems for process improvement, project management, and performance optimization, directly supporting business growth and sustainability. Kelvin has also applied ISM expertise to alluvial mining and exploration, creating specialized techniques that improved operational outcomes. As a consultant, he has delivered tailored IS solutions for our clients, reinforcing his reputation as a trusted technology strategist. In addition to his role at BGRL, Kelvin is a shareholder and Director at KGML, where his analytical, problem-solving, and leadership skills continue to drive innovation. His ability to align IT with business objectives ensures that BGRL remains competitive, resourceful, and strategically positioned in the global mining and trading sector.

MR. STANLEY I. ETKIND - GLOBAL BUSINESS ADVISOR

Mr. Stanley I. Etkind serves as Global Business Advisor to the Executive Chairman and Board, providing strategic counsel on cross-border commodity trade, compliance, and international partnerships. His advisory role ensures BGRL's global expansion aligns with international standards and risk-management frameworks. As founder of Stanley I. Etkind Enterprises (Pty) Ltd, established in 2003, he has built a reputation for connecting entrepreneurs, traders, and investors to create transformative business opportunities. His firm introduced innovative solutions to South Africa and beyond, fostering financial growth and international collaboration. With decades of experience, Mr. Etkind has cultivated high-level relationships across Africa, Asia, Europe, North America, South America, and Australasia, including longstanding ties with senior government officials in China dating back to 1993. These networks have enabled seamless facilitation of global trade, import, and export activities across diverse markets. Through his leadership and advisory expertise, Mr. Etkind continues to strengthen BGRL's international presence, driving innovation, compliance, and sustainable growth in the global commodities sector.

MR. EVANS KABANZA - GLOBAL BUSINESS ADVISOR

Evans Kabanza is a seasoned Business Advisor and execution specialist with over 20 years of multi-sector expertise in supply chain management, logistics, structured finance, and corporate advisory. Based in Zambia, he supports BGRL's global trading operations by bridging strategic vision with operational execution, ensuring compliance, efficiency, and reliability in cross-border trade. His advisory role encompasses strategic guidance on market entry and diversification, compliance oversight with international trade regulations, risk management of counterparties and instruments, and partnership development with suppliers, refiners, and buyers worldwide. He also provides board-level counsel on governance, compliance, and strategic positioning, aligning operations with global benchmarks such as LME, SHFE, and COMEX. Evans has held senior advisory roles in mining, energy, and logistics, with notable assignments including structuring a US\$16M revolving facility for Katanga Province, DRC, and co-advising on a US\$10M supplier credit

for Marange Diamonds. His expertise in market intelligence, transaction facilitation, process optimization, and client engagement continues to strengthen BGRL's governance framework and reputational safeguards. He holds a Master's in Supply Chain Management and a Bachelor's in Economics from the University of Liverpool, alongside a Diploma in Sales and Marketing from the University of Zambia.

MR. ARJUN SHETTY - GLOBAL BUSINESS CONSULTANT

Mr. Arjun Shetty is a seasoned commodities dealer and consultant, appointed by Bemachil Global Resources Limited (BGRL) as both Global Business Consultant and Mandate/Attorney-in-Fact. Operating from Kuala Lumpur, Malaysia, he represents BGRL in its worldwide minerals and commodities ventures, with a mandate to secure qualified buyers and expand the company's footprint across Asia, the Middle East, Africa and global markets. With decades of extensive experience in commodities trading, Mr. Shetty has specialized in precious and Base metals, and other strategic resources. He reflects a deep understanding of international supply chains, pricing mechanisms, and buyer engagement strategies, enabling him to structure transactions that balance

profitability with compliance. Mr. Shetty's expertise lies in bridging BGRL with institutional buyers, negotiating complex trade agreements, and ensuring operational efficiency in cross-border transactions. His established networks across Asia, the Middle East, Africa and other territories, combined with his reputation for integrity and reliability, make him a trusted partner in advancing BGRL's global business objectives. Through his leadership and mandate authority, Mr. Shetty strengthens BGRL's presence in international commodity markets, driving growth, compliance, and long-term partnerships that align with the company's vision of "Building Global Partnerships."

MR. MARIOS KYRIAKOU - GLOBAL BUSINESS CONSULTANT

Mr. Marios Kyriakou serves as Global Business Consultant to Bemachil Global Resources Limited (BGRL) and is formally appointed as a Mandate/Attorney-in-Fact to represent the company in its worldwide minerals and commodities ventures. Based in Larnaca, Cyprus, he is entrusted with advancing BGRL's strategic interests across Europe, the Middle East, Mediterranean and beyond, with a primary responsibility to secure qualified buyers and foster sustainable partnerships. With decades of extensive experience in commodities trading, Mr. Kyriakou has specialized in iron ore, steel rails, gold, copper cathodes, and other strategic resources. Mr. Marios has built a distinguished career consulting on multinational enterprises, investors, and trading houses on cross-border transactions in the metals business, and energy resources. His expertise spans market entry strategies, buyer engagement, compliance frameworks, and negotiation of high-value contracts, ensuring that all ventures adhere to international standards of transparency and governance. Over the years, Mr. Marios has cultivated deep networks across Europe, the Middle East, Mediterranean and beyond, enabling him to connect BGRL with credible buyers and institutional partners underscoring his value as both a consultant and a trusted representative of BGRL's global business.

FUTURE OF THE COMPANY

□ Strategic Positioning

With a proven record of successful transactions and a disciplined business approach, BGRL is positioned as a reliable global provider of mineral products and services. Our integrated team of professionals and high-performing workforce ensure efficiency, adaptability, and excellence across all operations.

□ Value Proposition:

We deliver well-researched solutions and quality end products that foster long-term client trust and strengthen opportunities for sustainable mining and trade. Our commitment to value creation enhances both current partnerships and future prospects.

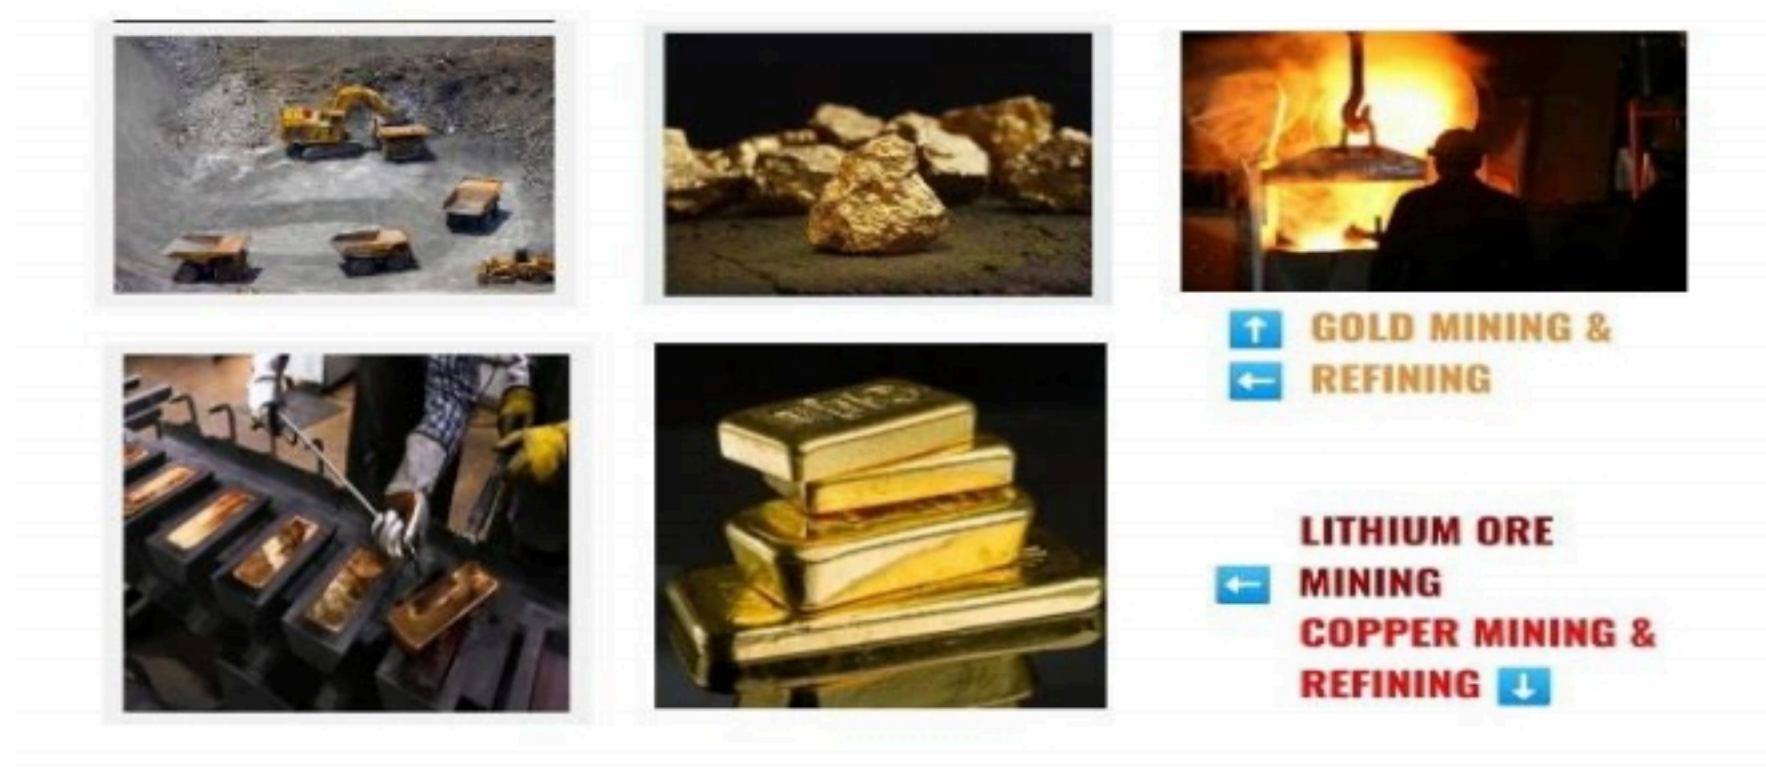

□ Growth & Sustainability Roadmap:

BGRL's growth strategy is structured across short, medium, and long-term horizons:

Short-term Focus: Reduce costs and maximize product sourcing capacity.

Medium-term Expansion: Strengthen relationships with existing producers, expand resources, and extend pre-financing arrangements.

Long-term Investment: Develop and place new mines into production, with emphasis on Gold, Copper, and Lithium.
